LEARN MORE ABOUT US AS A POSSIBLE EMPLOYEE WHILE WE LEARN MORE ABOUT YOU..

❖ COMPANY PROFILE

Gener 2 is one of the largest private construction and infrastructure development companies in Albania. Gener 2 portfolio is diversified in the development of industries such as construction, infrastructure and engineering project management, energy and telecommunications, property management, real estate and media. Over the last 20 years, Gener 2 has left traces in the Albanian and regional markets by developing strategic projects with the highest international standards and at the same time contributing significantly to the country's sustainable economic development.

In the framework of development of our capacity building and employment policies, Gener 2, opens call for applications for "Project Management Academy" Program.

❖ TITLE

"PROJECT MANAGEMENT ACADEMY" PROGRAM.

Gener 2 intends to make a strategic investment in developing successful Project Managers within the Gener 'Project Management Academy'. This exciting initiative will offer a limited number of candidates the opportunity to work as Project Engineers within a tailored programme to gain experience and knowledge through assignments into all of the Gener 2 Departments that contribute to the successful delivery of projects.

❖ QUALIFICATIONS

To be considered for this programme you will need to have:

- An engineering or construction background
- Be prepared to undertake challenging assignments both in the office and on-site
- Undertake self-study outside normal working hours.
- Have good command of English

The selection process will consist of a CV assessment, followed by an on-line assessment to determine your natural aptitude, behavior, reasoning and cognitive attributes to determine your personality profile. Thus, the applicants with the most suitable profiles will complete the test assignment and then be interviewed.

If you wish to apply, please send to careers@gener2.al:

- CV
- Motivation Letter (Essay not more than one page)
- Copy of your Diplomas
- Copy of certifications and trainings if any

Deadline of Application is **15 March 2024**, by **17:00**;

* Only candidates shortlisted from the online testing will be invited for an interview;

* Gener2 guarantees that the candidates' data will be treated in strict confidentiality based on Law no. 9887 established by the Albanian Parliament on "Personal Data Protection".
