

❖ Company Profile

Gener 2 is one of the largest private construction and infrastructure development companies in Albania. Gener 2 portfolio is diversified in the development of industries such as construction, infrastructure and engineering project management, energy and telecommunications, property management, real estate and media. Over the last 20 years, Gener 2 has left traces in the Albanian and regional markets by developing strategic projects with the highest international standards and at the same time contributing significantly to the country's sustainable economic development.

❖ Job Title

Senior Architect

❖ General description for the position

We are searching for an experienced senior architect to oversee the company's new large tourism construction projects. As the senior architect, you will mentor other Architects, interpret client briefs and designs. You should have extensive knowledge of CAD software (AutoCAD and Revit), and the ability to handle negative feedback.

To be successful as a senior architect, you should display great interpersonal skills and be able to relay important information. An outstanding Senior Architect should also be open to criticism and learning opportunities.

❖ Main Responsibilities

Senior Architect will:

- Reviewing and designing large scale architectural projects.
- Monitoring the work of other Architects and making recommendations or scheduling workshops as required.
- Providing guidance to subcontractors like builders, plumbers, and electricians, and helping them interpret design specifications.
- Ensuring the team works together to achieve set goals and targets.
- Acting as a mentor to new Architects and helping them fine-tune their design skills and improve their industry knowledge.

❖ Experience and Qualifications

- Bachelor's degree in architecture.
- MA Degree in architecture.
- A good portfolio and at least 8 years of work experience as an Architect.
- Excellent leadership and communication skills.
- Brilliant interpersonal and networking skills.
- Detail-oriented and highly analytical.
- In-depth understanding of CAD and AutoCAD software.
- Deadline-driven and dedicated to excellence.

All interested candidates are invited to send their application to careers@gener2.al or may apply on line on our official website: www.gener2.al on “**apply online**” section.

Deadline of Application is **15 March 2022**, by 17:00;

* Only short listed candidates will be invited;

* Gener2 guarantees that the candidates’ data will be treated in strict confidentiality based on Law no. 9887 established by the Albanian Parliament on "Personal Data Protection".
