

## ANNOUNCEMENT

### ❖ COMPANY PROFILE

Gener2 stands as one of Albania's leading private companies, celebrated for its excellence and innovation in construction and infrastructure development. With a broad and dynamic portfolio, Gener2 operates in key sectors such as construction, infrastructure, engineering, project management, energy, telecommunications, property management, real estate, and media.

Over the past 20 years, Gener2 has made a lasting impact on Albania and the wider region by delivering strategic, high-quality projects that meet international standards. The company has been instrumental in advancing infrastructure and fostering sustainable economic progress. Gener2's unwavering focus on quality, innovation, and sustainability solidifies its reputation as a trusted partner in shaping the future of Albania.

### ❖ JOIN OUR TEAM AT GENER 2

Gener2 is focused on the future, continuing its mission to deliver projects that embody the highest international standards of quality, innovation, and creativity. Over the next decade, we will undertake a wide range of visionary projects across the regional market, spanning residential and commercial developments, leisure, hospitality, energy, and infrastructure—all aligned with Gener2's commitment to excellence.

We are seeking skilled and passionate professionals to join us in shaping this exciting next chapter. If you're eager to make an impact and thrive in a dynamic, forward-thinking organization, we invite you to explore the opportunities we have to offer.

### ❖ WHY JOIN US?
